Songwriter Rina Cañiza wrote the lyrics to that tune. To celebrate its 25th anniversary record, Universal Records re-released this song digitally on iTunes, Spotify and Spinnr on the 30th of October 2015. I never thought it would last long! When I came out with songs 30 years ago, I thought it would only be 2, 3 years, told Jose Mary Chan in an interview with GMA News Online in September 2019. Liza, the daughter of Jose Mary Chan, resigned to tour this just two weeks before her release. He explained: 'Liza had to learn the lyrics quickly and go on recording tomorrow. It couldn't be the best way the Holy Spirit worked it out: father and daughter sing a tune that is a mixture of East and West, delivering the real message of Christmas.'
